47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep broadband competitive! I chose a local provider and prefer to keep my business local. They provide excellent internet and phone service that AT&T never provided. I don't want to loose this service!

I have fast fiber connection at a fair price.

This local service was the service that I recommended for the business as well.
